

**Please Return to the School Nurse:**

\_\_\_\_ Health Questionnaire – **NEED AS SOON AS POSSIBLE**

\_\_\_\_ Copy of Certified Birth Certificate

\_\_\_\_ Copy of Immunizations

\_\_\_\_ Documentation of Chickenpox, if your child had the disease and not the immunizations

\_\_\_\_ Eye Exam – for all students entering Kindergarten and out of state transfers.

\_\_\_\_ Physical Form - Needed for all students starting Kindergarten or 7<sup>th</sup> grade, students in Junior High or High School that are participating in sports, and students transferring in from an out-of-state school. (Most Dr.'s Offices have a computer generated printout that you will need to sign a form for them to send it to our school.)

\_\_\_\_ Medication Form – If your child will be taking medications including cough drops, Tylenol, ibuprofen or prescription medications, we need a form filled out with name of medications, dosage, how frequently student is to have medication.

Additional forms may need to be filled out based on the health needs of your student. These will be sent at a later time after we have reviewed you child's information. If your child does have an inhaler (even if on an as needed basis) or is diabetic or requires a special diet, we need forms signed by your physician so please let us know as soon as possible.
