7:03: Meeting was called to order and recognized that the open meeting act was posted and would be followed

Sargent board members present: Sargent, Marty Riddle, Loyd Pointer, Rollie Stefka, Chandra Horky, Larry Gibbens, and Matt Smith

Loup County board members present: Deane Meeks, Sarah Sortum, Kent Lewis, and Greg Brown. Absent Pat Morgan and Luke Glidden.

Superintendent Richardson and Tammera Moody (newly elected Sargent Board Member) were also in attendance.

Superintendent Richardson was asked to tend an offer. He didn't want a raise in salary or benefits but would like a long-term commitment. Requested a 3-year contract and presented the boards with an example of how it would look. At 7:08 Mr. Richardson left the meeting

Discussion was held on renewal of the inter-local agreement between Loup County Public Schools and Sargent Public Schools on the possibility of a 3-year inter-local agreement and a 3-year contract for Superintendent. At 7:32 Mr. Richardson returned to the meeting. Discussion continued on how a 3-year contract would look. It was determined that inter-local agreement would be for 3 years and the contract itself would state the 3 year term but would be renegotiated each year for extension of the 3rd year and the next years salary.

Each Board will take formal action on the renewal of the inter-local agreement for 3 years, 2021-22, 2022-23, and 2023-24 and a contract for the 2021-22 school year with a 3 year tem for Superintendent Richardson.

Meeting adjourned at 7:40 p.m.
